****The Veltè handle available with Euro-cylinders**

**Introducing the Ultimate in Slim Profile Security:
The Robus Compact Lock**

Pair your Veltè Bi-Fold Handles with our revolutionary Robus Compact Lock, setting a new standard in bi-fold door security. Despite its slim profile at **only 26.5mm wide**, the Compact Lock ensures top-notch security, **making it one of the slimmest locking bi-fold locks** on the market. Your peace of mind is our top priority!

Key Features:

- Cutting-edge slim design
- Exceptional security features
- Smooth operation
- Corrosion-resistant materials
- Easy installation

**Veltè with
Integrated
Cylinder**
